

Dear Potential Supporter

On behalf of American Youth Table Tennis Organization, we are pleased that you are interested in donating new and or used table tennis supplies to us. Rubber top sheets and wood blades are in particular need and are expensive to purchase. Your kind gift will help us defray costs and keep programs running.

American Youth Table Tennis Organization (AYTTO) is a 501c3 not for profit organization that offers free table tennis instruction to at-risk children. Founded in May of 2000, we have won accolades from educators, principals and after-school professionals. AYTTO's programs incorporate more than just table tennis. Through the sport we all love, we teach leadership, team work, fair play and fitness. We teach table tennis as it should be played - not as pure recreation.

You may mail all donated supplies to:

AYTTO
PO Box 155
Irvington, NY. 10533

Please note that independent carriers (other than the US Postal Service) require an address to ship supplies to. Should you use an independent carrier, please send it to AYTTO, co Ben Nisbet, 67 Ridgeway Drive, Irvington NY, 10533. Phone number 917-686-1911.

Upon receipt of your gift, we will send you a confirmation receipt letter thanking for your support and your contribution.

Your financial support will be greatly appreciated.

Sincerely
